The idiotic quotes on the back side of the idiot.cards have all been compiled from easily available public sources, using our own idiot logic.

However, not all of the quotes are dim. Unfortunately, some are bright. Please do not let their brilliance detract you in any way from enjoying the sheer idiocy of playing this despicable game.

Look up the Quotee PDF for the list of the lucky few, whose quotes have made the final cut. If you see any of them, do let them know that you have seen them on the IDIOT.CARDS.
